github.com/sdrioux | linkedin.com/in/silasrioux | twitter.com/silasrioux | silasrioux.tumblr.com

Ruby on Rails developer looking for full time position in Austin, TX where I can continue to develop my skills.

Work Experience

Maker

MakerSquare - Austin, TX

June 2013 to Present

10 week web development program.

- Developed web development skills using Ruby on Rails, HTML/CSS, Javascript and Javascript frameworks(i.e. jQuery), popular APIs (Twitter, Facebook, etc.), Git version control, and test-driven development (TTD).

PROJECTS

Blocktalk <http://blocktalk.io> github: <https://github.com/a7levine/blocktalk.git>

- jQuery intensive web app, designed to allow two individuals to easily and quickly schedule a time to meet.

NoobNoos <http://n00bn00s.herokuapp.com> github: <https://github.com/sdrioux/noobnoos.git>

- App designed to be a repository of coding resources for users at MakerSquare, and other similar programs.

SQL Analyst

Deloitte - Austin, TX

March 2012 to June 2013

- Performed analysis and presented results using SQL, SSIS, MS Access, Excel, and VB scripts.
- Imported, exported and manipulated large data sets in multi-million-row databases under tight deadlines.
- Improve upon existing tools and scripts to increase departmental efficiency and automate repeatable tasks.
- Manipulated files and their associated data for rapid delivery to clients or loading onto internal databases.
- Collaborate with project managers, legal counsel, and other team members to gather data for projects.

Education

BA in Economics - Colby College - Waterville, ME 2006 to 2010

Skills

Ruby on Rails, Ruby, HTML/CSS, Javascript, JQuery, Git, Sinatra, Test Driven Development, SQL
